Thomas Linzey is the Executive Director of the Community Environmental Legal Defense Fund (CELDF) and co-founder of Democracy School. Linzey has been featured in the *New York Times*, *Mother Jones*, *The Nation*, and in 2007 was named one of Forbes Magazine's "Top Ten Revolutionaries".

**"As a people of
'we the people' fame
we have become either ahistorical,
amazingly obedient,
exceedingly stupid
or all three.
We can stay that way if we choose
– either denying the corporate state or
resigning ourselves to it
– with the understanding that
every day we fail
to challenge the corporate state
is another day that
the planet falls down
around us."**

– Thomas Linzey
